

ANTIQUE & CLASSIC CAR STORAGE

"A Safe Deposit for Your Prized Possession"

If you desire a heated, climate controlled and secure place to park your vintage, collector, restoration project or extra vehicle, please consider leaving your vehicle with us. We are local auto enthusiasts who have decided to open our own unique and secure storage facilities.

We provide secure storage with individual security entrance keys/cards and security cameras for all lease holders.

Our storage facilities are located at 323 Miller Street in Latrobe, PA and Lloydsville at 1504 Fifth Avenue Latrobe, PA- (Just 30 minutes from Irwin)

For questions or additional information please call 724-493-1210, or visit our website: latrobecarstorage.com

Prices for cars are competitive with other private storage facilities.

Rules of the Road

1. Garage facility keys are exclusively for your use.
2. Please place all trash in can.
3. If your car leaks fluids, it is your responsibility to use drip pans, or to clean fluids up.
4. Owner is usually generous about loaning tools or equipment-but please ask first.
5. As tempting as it is to treat the other cars or vehicles as if they were our own, please leave other owners' cars or vehicles alone- and covered.
6. Aerosol painting of any sort is prohibited inside the buildings.
7. No "daily drivers" are to be stored in the facility.
8. No smoking.
9. When you leave-TURN OUT ALL LIGHTS, LOCK ALL DOORS AND ARM THE ALARM.
10. Parking is located on the left side and rear of the Lloydsville building. Please pull in parallel to the building. Please do not park in front of the building or garage doors. Parking is located on the street at the Miller Street building.
11. Equipment, supplies, tools, or accessories not claimed at the end of a lease will be deemed "house" property 30 days thereafter.
12. Working on restoration projects at the garages is prohibited.
13. All vehicles present in the garages must be insured by vehicle owner
